Robert Ludlum's The Hades Factor

Bantam

New York Times bestselling author, Eric

Van Lustbader, returns with another Jason Bourne thriller as he spars off against another deadly agent--and he might be the perfect match for Bourne. Facing down mercenaries in Africa, Jason Bourne witnesses the death of an art dealer named Tracy Atherton. Her killing dredges up snatches of Bourne's impaired memory, in particular the murder of a young woman on Bali who entrusted him with a strangely engraved ring--an artifact of such powerful significance that people have killed to obtain it. Now he's determined to find the ring's owner and purpose. But Bourne never knows what terrible acts he'll discover he committed when he digs into the past. The trail will lead him through layers of conspiracy to a vicious Russian mercenary, Leonid Arkadin, who

was also a graduate of the Central Intelligence training program Treadstone. A covert course designed to create ruthless assassins for C.I., it was shuttered by Congress for corruption. Yet before it was dismantled, it produced Bourne and Arkadin, giving them equal skills, equal force, and equal cunning. As Bourne's destiny circles closer to Arkadin's, it becomes clear that the eventual collision of these men is not of their own making. Someone else has been watching and manipulating them. Someone who wants to know, Who is the more deadly agent?

Resurrection Grand Central Publishing
The man Jason Bourne fishes out of the freezing sea is near death, half-drowned and bleeding profusely from a gunshot wound. He awakens with no memory of who he is or why he was shot-and Bourne is eerily reminded of his own amnesia. Then Bourne discovers that the Mossad agent named Rebeka is so determined to find this injured man that she has gone off the grid, cut her ties to her agency, and is now being stalked by Mossad's most feared killer. Do the answers to these mysteries lie back in southeast Lebanon, in a secret encampment to which Bourne and Rebeka escaped following a firefight weeks ago? The complex trail links to the mission given to Treadstone directors Peter Marks and Soraya Moore:

find the semi-mythic terrorist assassin known as Nicodemo. In the course of Bourne's desperate, deadly search for a secret that will alter the future of the entire world, he will experience both triumph and loss, and his life will never be the same. Now everything turns on the amnesiac. Bourne must learn his identity and purpose before both he and Rebeka are killed. From Stockholm to Washington, D.C., from Mexico City to Beijing, the web of lies and betrayals extends into a worldwide conspiracy of monumental proportions.
